INFO-TECH CITROËN Sport C2 R2 MAX N° 07/08.

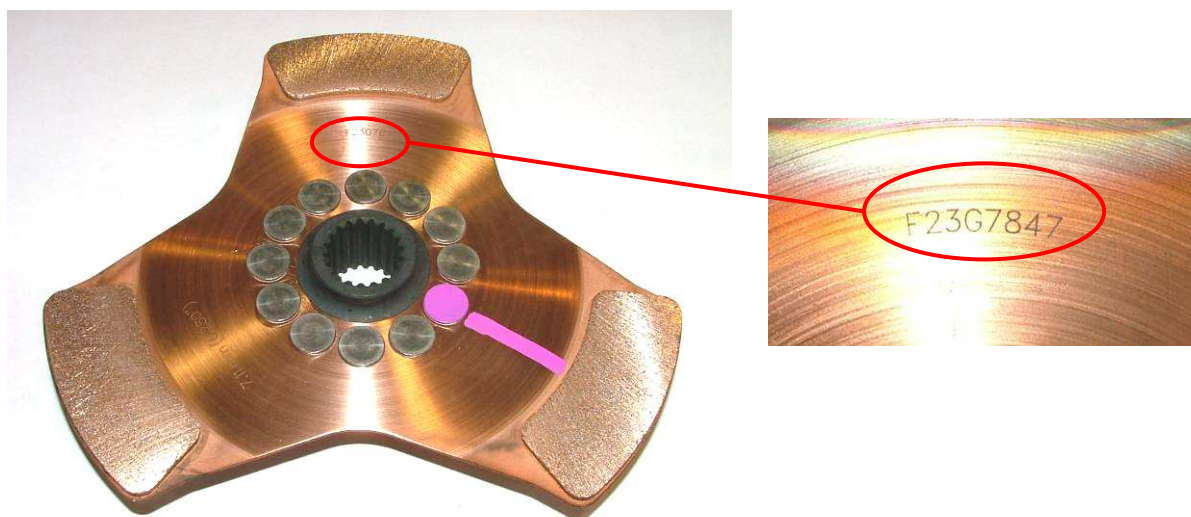

Sujet : Clutch disk, pads.

Dear Customers,

A defect has been discovered on C2R2 / MAX clutch disks (part number 1C1143317A). Please pay attention on informations below :

A - Brand new disk :

If you have a brand new disk, never assembly on your engine, and you can see **F23G7847** number written on it (as shown on pictures below), please send it back to us. A brand new one, from a different serial will be sent to you as soon as possible.

Thank you to send it back at the following mailing address and attention :

CITROËN Sport
A l'attention de Mr Samuel BARRAUD
19, Allée des Marronniers
78035 VERSAILLES Cedex

B - Used disk :

If you have one or more clutch disks, with pads partially or completely missing (as shown both pictures below), and if the pads thickness is more than 6.6mm, you can also send it to us to the mailing address written on top of the document. A brand new one will se be also sent to you.

Be carefull, this « warranty » will be ok only if parameters below are respected :

- One or many pads broken.
- One or many pads missing.
- Expertise sheet thoroughly completed (in attached file of the mail), without information missing.
- Thickness between two pads over than **6.6 mm**.

Pads defects examples :

Pad partielly missing.

Pad totally missing.

Nota : CITROËN Sport reserve the right to refuse a warranty is the state of a disk is doubtfoul, pads totally used, or questionable warmed marks on it.

Thank you for your attention.
