Subject : Body, rear « quick release » hobby.

Dear Customers,

Regarding a technical request by the F.I.A., the quick release system of the rear hobby is not in accordance with the technical rules of the R group.

This way, we suggest you to remove the release side (as shown on pictures below), and to replace it by the standard system.

**I - Removing of the quick release hobby hinge (part number 2K7C62634A), hobby side :**

**II - Assembly of the standard hinge :**

Thank you for your attention
