-
- This diagram illustrates the exploded view of a mechanical assembly, likely a pump or motor component. The parts are numbered 1 through 21, corresponding to the list provided. The assembly is shown in two main sections: a top section with components 1 through 12, and a bottom section with components 13 through 21. The top section shows a series of nested rings, seals, and a central shaft assembly. The bottom section shows a large gear (13) mounted on a shaft (14) with a coupling (15) and a housing (16). A separate view of the assembled unit is shown in the top right corner.
