WARRANTY

- Competition do not carry any specific contractual warranty

- Moreover, we would like to point out that the fitting of RenaultSport competition parts to RENAULT cars may render them illegal for use on public highways.

- RENAULT SPORT parts intended for competition use could modify the standard specification of road vehicules, as specified by the component authorities governing the technical roadworthiness of vehicules ("mines"). This applies to factors such as noise, pollution, tyre sizes, performance, etc.

Notes

- Competition parts cannot be retourned or exchanged.

- Pricing of parts distributed by RENAULT SPORT is reviewed periodically. Please refer to the date of the part prices catalogue.
